

# Olive Hill Primary School

Learning together, achieving success.

## Swimming

Swimming and water safety is a requirement of the national curriculum in England. This means that every 11 year old child should leave primary school with the skills to keep themselves safe while enjoying swimming with friends and family. At Olive Hill children are taught to swim in year four and each child has a minimum of one term of swimming. We use a local leisure centre with qualified instructors to deliver effective swimming lessons. Certificates are awarded and achievement is celebrated.

Due to the impact of the COVID19 pandemic and children missing lessons due to school closure, our year five and six children are currently participating in swimming lessons.
